EDUCATION

Rajiv Gandhi Institute of Petroleum Technology, Jais	2021 - 2026
<i>B.Tech in Computer Science Engineering + M.Tech in AI (Integrated Dual Degree)</i>	CGPA: 8.5*/10.0
St. Fidelis College	Lucknow, UP
<i>Indian School Certificate (ISC) - Class XII</i>	Percentage: 91%
<i>Indian Certificate of Secondary Education (ICSE) - Class X</i>	Percentage: 95%

WORK EXPERIENCE

SDE Intern <i>Heizen</i>	September 2025 – Present <i>San Francisco (Remote)</i>
Engineered a full-stack applications for client demands, ensuring code quality and team collaboration.	
AI Research and DevOps Engineer Intern <i>MyOomph Networks Pvt Ltd</i>	September 2024 – February 2025 <i>Remote</i>
- Implemented data analytics platform using Amplitude, increasing user engagement metrics by 25% across mobile and web applications. - Designed and deployed scalable cloud architecture for efficient data processing, reducing processing time by 30%. - Developed automated CI/CD pipeline using Docker and GitHub Actions, decreasing deployment time from 2 hours to 15 minutes.	
Cloud Operations Engineer Intern <i>Thales Group (Digital Identity & Security)</i>	July 2024 – September 2024 <i>Noida, UP</i>
- Architected and deployed production-level application on AWS, implementing best practices for security and scalability. - Configured and optimized AWS services including EC2, S3, RDS, and Lambda, resulting in 40% cost savings. - Completed AWS Solutions Architect - Associate (SAA-03) certification training, applying knowledge to optimize cloud infrastructure.	

PERSONAL PROJECTS

KhaataFlow GitHub Repository <i>Node.js, Express, React, PostgreSQL, TailwindCSS, AWS</i>	July 2024 – Present
- Engineered a full-stack expense management application with RESTful API architecture and responsive frontend design. - Implemented secure user auth system using JWT tokens, bcrypt password hashing, and role-based access control. - Designed and normalized PostgreSQL database schema for efficient expense tracking and group expense splitting. - Deployed application on AWS using EC2, RDS, and S3, with CloudFront CDN for optimized content delivery.	
CVLens Link <i>React, TypeScript, TailwindCSS, Zustand, Puter.js</i>	August 2025
- Engineered an AI-powered engine to deliver actionable, job-specific resume feedback, generating precise ATS compatibility scores to maximize hiring potential. - Architected a secure, serverless authentication and data management system for persistent tracking of resume analysis and user feedback history.	
Autonomous AI Agents GitHub Repository <i>Python, LangChain, Groq, FastAPI, phidata, Vector Databases</i>	December 2024
- Developed dual autonomous AI agents using LangChain for complex web research and AI-driven financial analysis for generating stock recommendations. - Architected a custom RAG pipeline with Pinecone, achieving a 90% accuracy. Slashed LLM inference time by 40% through advanced prompt engineering.	

TECHNICAL SKILLS

Programming Languages: Java, C++, JavaScript, TypeScript, Python, C, SQL, HTML, CSS, Dart
Web Technologies: React, Node.js, Next.js, Nest.js, Django, GraphQL, TailwindCSS, FastAPI, HTML5, CSS3
Cloud & DevOps: Linux, AWS (Solutions Architect Associate), Docker, Kubernetes, Terraform, GCP, Azure, CI/CD, Git
Databases: PostgreSQL, MySQL, Firebase, Supabase, MongoDB
Machine Learning & AI: PyTorch, TensorFlow, Hugging Face, CNN, RNN, LSTM, GAN, Transformers, NLP, LangChain, LangGraph
Developer Tools: VS Code, GitHub, Jira, Amplitude Analytics

ACHIEVEMENTS

Qualified JEE ADVANCED-2021: Ranked among the top 2% of students in India.
Selected for Rajasthan Police Hackathon 2024: Chosen among 100 teams to work on the 1930 Helpline project.
Open-Source Contributor at Hacktoberfest 2023: Contributed to open-source projects.
Qualified GATE 2025: Data Science & AI

PORS / EXTRA-CURRICULAR ACTIVITIES

College Captain [HeadBoy] (2019-20): Leader of the 25-member Student Cabinet.
Cutural Secretary(2018-19): Head of Management for Conducting Inter- and Intra-School Cultural Events.
Vice President: Founding Team Member for CISCO thingQbator RGIPT Student Body.
Organizing Team Member Urjotsav'23 & Kaltarang'24: Annual Technical & Cultural Fest of RGIPT.
Teaching Volunteer: GyanArpan Project Amethi, social initiative to educate the underprivileged.
